

Deb Tucker's Studio 180™ Ruler Blockbuster BOM (53" x 53")

Want to do more with your Deb Tucker Studio 180™ rulers?

Join us for the Blockbuster BOM (Block of the Month). You will make a series of Blockbuster blocks each month. Anne will focus on a different ruler, sometimes by itself or in combination with other Studio 180 rulers to make your blocks. Use any combination of fabrics you would like! Supply lists for each class will be available each month as we progress.

Classes will be offered on Monday evenings or Thursday mornings (dates listed below) and the cost is \$25 for each individual class or you can purchase all six at once for a price of \$120 (\$20/class). The day you select, will be your class for the entire series. Don't forget, you get 20% off required class items and 10% off purchases on your class day.

Refer to the class schedule for dates, times and required ruler(s). Patterns are free!
