

Using the Star 60 Ruler with Anne, Class #2—Snow Crystal

Let's expand your knowledge of the Star 60 tool by making holiday table topper or tree skirt using the Studio 180 Snow Crystal pattern. In addition to reviewing the basic Star 60 unit, you will also learn how to make Quad 60 and Capped 60 units with Deb Tucker's Studio 180 Star 60 tool. The directions for these additional units are included with the pattern, but if you'd like to make them in other sizes in the future, you will find the optional Technique Sheets very useful.

For this project, you will need 3 coordinating fabrics plus a background fabric. Please refer to the pattern for total yardage needed and fabric placement. We will be making the small version of the pattern, which finishes at 32".

Please bring the following to class:

- ◇ Sewing Machine and manual (machine should be in good working order with proper tension and even stitch) with a 1/4" foot or seam guide
- ◇ Rotary Cutter—45 mm with a new blade (as a safety precaution during class, all blades must be closed when not in use)
- ◇ Quilters pins or wonder clips
