

## Using the Star 60 Ruler with Anne, Class #3 - Hollow Cubes

In this class, we will explore how to make a 15" Hollow Cube-in-a-Hollow-Cube, using Deb Tucker's Studio 180 Star 60 tool and the Hollow Cube Technique Sheet.

For this project, you will need 3 fabrics - a light, medium and dark - that have a great deal of contrast. This is a good time to pull out those solids or reads-as-solids fabrics for the best results. You don't need to use fabrics in the same colorway, just as long as there is a good light, medium and dark contrast.

### Please bring the following to class:

- Sewing Machine and manual (machine should be in good working order, with proper tension and even stitch) with a 1/4" foot or seam guid
- Rotary Cutter - 45mm with a new blade (As a safety precaution during class, all rotary cutters must be closed when not in use)
- Quilters pins or wonder clips
- Thread - Aurifil 50 weight cotton thread is recommended
