

Star 60 Log Cabin with Anne

Are you ready to get more use out of your Studio 180 tools? Do you want to learn how to make perfect Star 60 Log Cabin blocks? This is the class for you. This is a 2 part class, giving you plenty of time to finish the project.

For this quilt, you will need 5 fabrics. The approximate finished size of the quadrant is 32". Fabric requirements listed allow for one miscut and are intended for the 6 units we are doing in class.

Please cut the indicated strips prior to class and place them in sandwich bags as indicated in the chart. This will help you keep organized during class.

Please bring the following to class:

- Sewing Machine and manual (machine should be in good working order, with proper tension and even stitch) with a 1/4" foot or seam guide
- Rotary Cutter - 45mm with a new blade (As a safety precaution during class, all rotary cutters must be closed when not in use)
- Quilters pins or wonder clips
- Thread - Aurifil 50 weight cotton thread is recommended
- Bobbins - wind at least 2 bobbins prior to class
- Straight-edge ruler

Required items for class:

- Deb Tucker's Studio 180 Star 60 tool, including the instructions that came with it
- Star 60 Log Cabin Technique Sheet
- True Grip or Invisagrip and Ruler stickers (optional)

If you've misplaced the instructions of the Studio 180 tools, you can download a copy from the Studio 180 website (<https://studio180design.net/pages/free-downloads>).

You will receive a 20% discount for the items needed for this class and a 10% discount on the day of this class. If you have questions about the supplies, please stop by or call the store (412) 767-5500. If you need to reserve a classroom sewing machine, please do so at least 24 hours in advance so we can have one setup in time for class.

Fabric requirements and cutting:

Please use the chart on the following page for required fabrics and pre-class cutting.

CANCELLATION POLICY: If you cannot attend class, you may cancel up to one week before. You will receive a store credit towards a future class. Within one week of the class, there are no refunds.

Fabric Requirements and Cutting

This project uses 2 main colors and a background. I recommend storing your strips in clear bags to help keep you organized. The following cutting directions allow for miscuts. Fat quarter cuts will not work for this. WOF means width of fabric and HWOFF means half width of fabric.

Fabric	Fabric Amount Needed	(# of Strips to cut) & Size to cut
Color A, Dark	1/4 yd	(3) 1 1/2" x WOF
Color A, Medium	1/4 yd	(2) 1 1/2" x WOF
Color B, Light (this is also the center)	1/4 yd	(3) 1 1/2" x WOF (1) 1 1/4" x HWOFF - for centers
Color B, Medium	1/4 yd	(4) 1 1/2" x WOF
Background	3/4 yd	(2) 6 1/4" x WOF (1) 7" x WOF
